**BUILDING AN AI READY FUTURE,
TOGETHER**

July 16, 2026

DR. JEFFREY A. CLARIN

University President
Aklan State University
Banga, Aklan

Dear Dr. Clarin:

On behalf of the 2026 AI Fest Organizing Committee, I am pleased to inform you that **Aquanons** has been selected as one of the top 5 finalists in the **AI Fest: AI Hackathon 2026 (School-based category)**. Following a rigorous Technical Evaluation, their entry stood out among the submissions, earning them a spot in the live hackathon sprint on August 3-5, 2026 here at Iloilo City (final venue to be announced soon).

Team Members:

- Arnold R. Paghunasan
- Daniel Joseph R. Orlina
- Doreen Kay P. Lachica
- Jade N. Salvador
- Lenard Angelo A. Olajay

Here are the key details and upcoming schedules for the team:

- **Workshop 3: Agile Prototyping & Technical Execution**
Date: July 29, 2026
Time: 1:00 PM
Meeting Link: bit.ly/AIHackathonWorkshop3

To officially confirm the team's participation, please have them fill out the registration form here:
bit.ly/aihackathontop5.

Please note that travel, lodging, and incidental expenses for the duration of the event will be shouldered by the participants or your institution.

We congratulate your students on this achievement and look forward to welcoming them to Iloilo City as they showcase their talent and innovation. For questions or further clarifications, your team may coordinate with us via umwadregion6@gmail.com.

Sincerely,

RAYJAND T. GELLAMUCHO
Committee Chair, AI Hackathon
